4. GENERAL SPECIFICATIONS

4.1 NEW EQUIPMENT

- 4.1a The equipment shall be the current, new and unused model built by the manufacturer.

4.2 PARTS AND SERVICE

- 4.2a The vendor must have an authorized parts and service facility located within 110 miles of Milwaukee County with a sufficient stock of parts and trained technicians to service the equipment.

4.3 MANUALS

- 4.3a The successful vendor shall upon delivery, furnish one complete set of parts and service manuals which may be written, micro fiche or CD Rom that cover the equipment specified. Five hundred (\$500) dollars of the final payment will be withheld until all of the above is received.

4.4 TRAINING

- 4.4a The successful vendor shall, at a time mutually agreeable with Milwaukee County, provide four (4) hours of training to operators and service technicians covering the operation and maintenance of the equipment, if requested.

4.5 WARRANTY

- 4.5a The vehicle warranty shall start the first day the vehicle is placed in service. The manufacturer shall warrant the entire vehicle, furnished equipment and devices against parts failure or malfunction due to design, construction, installation or errors in assembly of components, defective materials and workmanship. The vendor shall include with the bid document a warranty statement outlining the base warranty covering the vehicle/equipment bid.
- 4.5b Should any vehicle in this bid encounter a defect while under warranty, the vendor will be responsible for all costs associated with transporting the vehicle to and from an authorized service facility. The vendor will be required to respond to all warranty requests for service, including picking-up of the vehicle within 24 hours of being contacted by Milwaukee County Fleet Management.

4.6 ALTERNATIVES AND APPROVED EQUAL

- 4.6a If the vendor is bidding alternatives, a separate sheet is to be attached detailing the alternatives.

4.7 DEMONSTRATION

- 4.7a Milwaukee County reserves the right to request a demonstration of any bidder's proposed equipment **prior** to issuance of a purchase order.

4.8 PRICE AND DELIVERY

- 4.8a The price for the equipment must be **NET PRICE DELIVERED**. Any bid modifying or "escalator" clauses will not be considered.
- 4.8b The vendor shall state the length of time required for delivery to Milwaukee County. Delivery to Milwaukee County must occur within 15 – 20 days after the vendor received the equipment from the supplier.

DATE THE VEHICLES WILL BE DELIVERED TO MILWAUKEE COUNTY
